

## BOBS & LOLO RECEIVE INTERNATIONAL AWARD FOR HIT DVD:

Popular music duo celebrates start of New Year with Children's Music Web Award

JANUARY 21, 2008 – VANCOUVER CHILDREN'S PERFORMERS HIT ALL THE RIGHT NOTES

Critically acclaimed children's performers, Bobs & Lolo are hitting all the right notes with their award-winning collection of children's CDs and DVDs. While still celebrating the recent launch of their third full-length album (*Action Packed*), the dynamic duo was excited to receive notification from the US-based Children's Music Web Awards that their DVD, *On Your Feet*, has been selected as an award recipient for the 2008 **Best DVD for Preschoolers**.

The **Children's Music Web** awards are the only music awards guided by adults and chosen by kids – [www.childrensmusic.org](http://www.childrensmusic.org). The Children's Music Web is a non-profit resource for families and educators worldwide. The awards program involves families and schools in every step of the judging process. Over 2000 children worldwide participated in the evaluation process for the 2008 awards.

Bobs & Lolo's **On Your Feet** DVD features 10 great songs and full-length videos that will get kids dancing, singing and playing along in an exciting world filled with bikes, gardens, rocket ships and more. All ten songs are written and performed by Robyn Hardy (Bobs) and Lorraine Pond (Lolo).

Bobs & Lolo use music, movement and make-believe to share stories and experiences that both entertain and educate, while ultimately teaching children to care about themselves, their neighbours and the planet. Their programming places an emphasis on celebrating the values of healthy-living and aims to inspire young audiences with an awareness and appreciation for the world around them. The Children's Music Web Award is the second international award acknowledging the high production value and educational merit of Bobs & Lolo's debut DVD. **On Your Feet** also received a **2008 Parent's Choice Award** earlier last year.

Bobs & Lolo regularly perform at schools, children's festivals and community events across Canada and throughout the United States. With their growing collection of award-winning albums, Bobs & Lolo are gearing up to be the biggest thing to hit the Canadian children's music scene.
