WESTCOAST CHILDREN'S ENTERTAINERS GO WESTERN FOR 2009 STAMPEDE

JUNE 24, 2009 – VANCOUVER BASED CHILDREN'S ENTERTAINERS TAKE THEIR AWARD-WINNING MUSIC ON THE ROAD FOR A RUN OF 35 SHOWS AT ONE OF CANADA'S LARGEST OUTDOOR EVENTS

Bobs & Lolo hit the stage daily at this year's world-renowned Calgary Stampede. With a well-established fan base in their home province of BC and growing national adoration, Robyn Hardy (Bobs) and Lorraine Pond (Lolo) are looking forward to sharing their live programming with families in Alberta next month. Their extensive touring to date and regular spots on the national children's network, Treehouse TV, is sure to have preschoolers, with parents in tow, lining up to see the live show.

What do the performers have to say?

Bobs: *"We're super excited to perform at the Calgary Stampede! We've had such a great year already with our recent Parents' Choice Gold Award and the whole Treehouse thing...getting such a large contract with the Stampede really validates how far we've come in the last few years. It's crazy to think that less than two years ago, we were still doing 3-4 birthday parties each weekend!"*

Lolo: *"Yeehaw! I can't wait to unleash my inner cowgirl! We're looking forward to all of the fun that goes along with sharing in a big event like this, although I think the main focus for Bobs and I will be staying healthy and rested so that we can survive performing 3+ shows per day for 10 days straight!"*

Bobs & Lolo will be performing on the Buckaroos Stage at the Calgary Stampede from July 3 – 12 with shows daily at 2pm, 5pm & 7pm. Additional shows are scheduled for July 4, 5, 8, 11 & 12 at 11am. All Bobs & Lolo shows are FREE with general admission to Stampede Park.

Bobs & Lolo use music, movement and make-believe to share stories and experiences that both entertain and educate, while ultimately teaching children to care about themselves, their neighbours and the planet. Their programming places an emphasis on celebrating the values of healthy-living and aims to inspire young audiences with an awareness and appreciation for the world around them. Catch Bobs & Lolo live this summer ([event calendar](#)) or watch for their regular appearances on the national children's television network, Treehouse TV.
